Dear Friend נ״י,

בני ישראל have always known that the survival of our nation is dependent on the proper handing down of the מסורה, that the key to the continuity of the עם ד' is to inculcate in our children, and to impress upon our fellow Jews the beauty and importance of our Torah.

With this in mind, I write these words of encouragement and support for my friend R' Dovid Winiarz נ״י who has founded an organization "Survival through Education" to fund initiatives aimed at strengthening כלל ישראל and to expose our brothers who are far from Hashem to the beauty of our heritage.

I am sure that all those who support his endeavors will see much נחת and be זוכה to the many ברכות which הקב"ה bestows upon those who dedicate themselves to His work.

יהי רצון שתזכה לראות הצלחה רבה בזה ובכל מעשה ידיך עם בריאות הנפש והגוף ורוב נחת מכל משפחתך עד ביאת גואל צדק בב"א.
